

My horse, Capla Temptress (#7), runs Friday in the Breeders' Cup Juvenile Fillies. She has at least some shot but the short stretch at Del Mar compromises her and other closers in the turf races. #3 Happily and #8 Significant Form are the two I fear the most in that race. I will post some picks below in some of the other Breeders' Cup races in which I have my strongest opinions.

FRIDAY:

JUVENILE TURF

- #1 Mendelssohn (8-1)
- #6 Masar (9-2)
- #8 Voting Control (8-1)
- #5 Beckford (8-1)
- #7 James Garfield (6-1)

SATURDAY:

JUVENILE FILLIES

- #3 Princess Warrior (12-1)
- #9 Alluring (6-1)
- #7 Moonshine Memories (7-2)
- #8 Piedi Bianchi (15-1)
- #4 Gio Game (15-1)

FILLY AND MARE SPRINT

- #11 Unique Bella (9-5)
- #12 Skye Diamonds (5-1)
- #10 Highway Star (15-1)
- #9 Finley'sluckycharm (6-1)

In this race, Bella is the best horse but my others are very live long shots and should be used in your bets.

FILLY AND MARE TURF

- #9 Lady Eli (5-2)
- #13 Goodyearforroses (12-1)
- #12 Avenge (8-1)

MILE

- #6 Zelzal (20-1)
- #5 World Approval (9-2)
- #10 Ribchester (7-2)
- #11 Ballagh Rocks (12-1)

TURF

- #1 Talismanic (15-1)
- #5 Ulysses (7-2)
- #3 Highland Reel (5-1)
- #12 Beach Patrol (4-1)

CLASSIC

- #9 Gunnevera (30-1)
- #5 Gun Runner (9-5)
- #11 Collected (6-1)
- #8 West Coast (4-1)
- #10 Pavel (20-1)
- #1 Arrogate (4-1)

The Classic has a lot of possibilities but with a very strong pace likely, long shot Gunnevera has a chance from off the pace. He may not win but has a very good shot to hit the board and the price will be right. Any of the above horses can win.

The races I've listed are the ones with either my strongest opinions or where I feel a solid long shot has a good chance.
