

MARK BELLING'S VOTING SUGGESTIONS AND HOW I VOTED

First of all, I encourage everyone to early vote as soon as possible. We have no idea if voting will be suspended in some locations and we have no idea who will be getting sick. Vote now, while you're healthy. I am listing my votes as a Milwaukee resident, except in cases where my preference is very slight. I will also cite several non-Milwaukee County races where I have suggestions. I am not listing any unopposed races.
